RIGA

DEVELOPERS

Key City Ideas

Grupo Riga is a leading Panamanian company in the development, commercialization, and operation of real estate projects. For more than 35 years since our foundation, we have been committed to creating value through innovative housing solutions, with a focus on improving the quality of life in the communities where we operate.

At Grupo Riga, we are proud to contribute to the growth of the real estate sector while making a positive impact on the lives of Panamanian families. Each of our projects is an opportunity to transform lives, leaving a meaningful mark on the development of a more promising future.

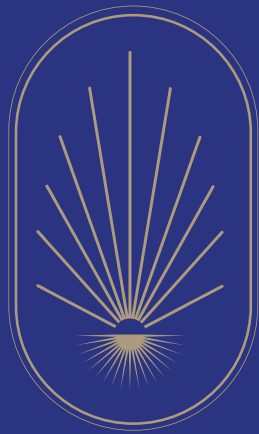

Our success is based on a team of highly trained professionals who share our corporate values of respect, professionalism, and a genuine desire for excellence.

SHORT AND LONG TERM LUXURY RENTALS BY HOUSE HUNTERS PANAMA

Our main focus is to maximize the return on your investment. How do we achieve this? We fully manage rentals, offering a complete solution that keeps property owners always up to date. We provide marketing services on various short-term and long-term rental platforms both locally and internationally. Our focus is offering guests a warm and personalized experience, with flexible bookings, high-speed internet, comfortable co-working spaces, and in-room amenities that make visitors feel at home.
